

BEVERLEY LAKE PROTECTIVE ASSOCIATION

DELTA, ONTARIO

June 1989

Dear Fellow Cottagers:

The cry of the loon, the bullfrog chorus and sightings of the blue herons and our osprey, together welcome all of us back to the good old summertime on Lower Beverley Lake.

Owing to the aging of the contestant pool and decreasing attendance, the Annual July (1 or 4) Regatta was not held this year. Special thanks go to Doug Byers, of 'Little Brockville', for his efforts over the past several years for coordinating this event.

In my January letter, I mentioned an invitation to the membership to organize a float for the Delta Fair Annual Parade, scheduled this year for 31 July; Franklin Ellis at Blue Heron Point is the coordinator and 'resource person'. I also mentioned that Bob Abrams had agreed to help organize a fishing derby. Interested members may reach him in 'Little Brockville' at (613) 928 2986.

Members are reminded of our upcoming ANNUAL GENERAL MEETING at 3. pm, 29 July, 1989, in Delta Community Hall. The Hall is located near the entrance to the park, next to the maple syrup canning factory. Instead of a barbeque, lighter fare will be available at the start of the meeting. In keeping with the growing importance of the issues relating to our mandate as a Lake Protective Association, we have arranged for an expert from the Ontario Ministry of Natural Resources to speak on Lake Protection Through Shoreline Management. This issue is one which impacts all of us.

This is definitely Election Year! Millard Goodsell (928 2845) and Alfred Brown (928 2268) comprise our nominating committee; please do not wait to be recruited - volunteer! Several committee positions are 'crying out' for new people with initiative and new ideas. Elections will take place at the AGM. Come, bring a friend (and/or neighbour!) and get involved.

Those who have yet to pay their 1989 dues of \$3. are invited to mail them using the form below (no US\$ cheques, please! - they cost almost \$3 to process!) or bring them to the Annual General Meeting. YOU could win an attendance prize!
