**2017 ANNUAL GENERAL MEETING**  
**JULY 12TH, 2017; 7 p.m. at DELTA FAIR HALL**

**CALL TO ORDER AND WELCOME**

About 50 faithful members attended our Annual General Meeting, gathering at the Fair Hall at 6:30 p.m. for refreshments and at 7:00 p.m. our President, Lynne Jeffries, started the meeting. She welcomed all attendees and began her slide presentation.

**IN MEMORIAM**

A moment of silence was observed for our members who had died this past year. We remembered Dick Christman, Jane Sherwood, Ann Kilpatrick, Bill Whitman, Jane Whitman, Norman Sulpher and Doug Kilpatrick.

Lynne introduced our current Executive Committee, mentioning that Tom Heinze has been Vice President for the past year. Dave C has served as our Past President. A new slate of officers will be proposed later in the meeting.

**MINUTES FROM 2016 AGM**

The minutes from last year's meeting were reviewed and accepted.

**TREASURER'S REPORT**

In Betty's absence, Lynne presented this report. She noted that we had to roll over our \$11,200 GIC this year. Slides were shown with our revenues and expenses for the past year. We also now have a budget so we can monitor our income and outgo. We noted that the local Fire Departments will no longer give receipts for any donations. A motion to accept the Treasurer's report was made by Fred Olivo and seconded by Jane Benham. It was unanimously approved.

### **YEAR IN REVIEW**

Lynne noted that the Citizens of the Year for Delta for the last two years were Betty Penstone and Millard Goodsell. Both of these folks are our members; just goes to show what good volunteers we are.

Lynne had lots of great pictures from our activities of this past year. She also mentioned that we currently have a DVD done by FOCA about details involved in cottage succession. It is available for members to borrow by contacting Lynne.

### **THANKS TO OUR VOLUNTEERS**

Lynne gave thanks to all our great volunteers who help to keep things going; the list is shown below.

### **2018 BUDGET**

Lynne has prepared a budget for income and expenses for the upcoming year which we will try to follow. We currently have two treasurers and the payable treasurer needs to know that any cheques that she is writing are within our budget. Our insurance costs have increased due to our addition of coverage for our volunteers and board members. A motion to approve the budget was made by Fred Gaffney and seconded by Bev Wallis. It was unanimously approved.

## **RESOURCES**

Lynne advised us to all be aware that there are FOCA (Federation of Ontario Cottagers' Associations) membership benefits available to everyone; check their website. Our other resources are the LBLA website and Facebook page.

## **ELECTION OF OFFICERS**

Lynne proposed the following slate of officers

- President Tom Heinze
- Vice President Joe Kelly
- Income Treasurer Betty Penstone
- Expenses Treasurer Marsha Antoine-Guiterrez
- Secretary Barb Kirkham
- Directors at large Dave Champagne, Dave Johnson
- Past President Lynne Jeffries

There were no nominations from the floor. The above slate was passed unanimously.

## **FROM THE PRESIDENT**

After 5 years as President, Lynne cheerfully handed off the gavel to Tom. Leslie Climie thanked Lynne for the great job she has done with our Association.

## **SPEAKERS**

A young lady, Chloe Lajoie, from Watershed Canada spoke briefly. They are encouraging us to have a natural shoreline to maintain the health of our lake. Watershed Canada will come to your property and do a site visit, make a planting plan and then return and plant the agreed upon plants and the owner only pays 25% of the cost for this shoreline restoration. Contact them if interested.

Our main speaker was Holly Evans from Cataraqui Regional Conservation Area (CRCA). She has recently taken over and is very focused on the lakes in our area. The Cataraqui, Gananoque and 8 other watersheds combine to make up their area. She showed a map of the area which contains more than 170 lakes. With 20 full time and 10 part time employees, the CRCA has a variety of programming and is usually the first point of contact for any questions. There are lots of opportunities for collaboration with citizens to do research and assessment. The CRCA website has the most recent assessment report which was done over a 7 year scope and involved 45 of the lakes. This assessment gives details of their

parameters, an explanation of the lake functions and regional comparisons. Holly also showed a map of trophic status (amounts of nutrients in the lakes) and a chart with current phosphorous trends which have stayed much the same. She said she is always looking for more participants to become citizen scientists and help with monitoring programs. There is also equipment that can be loaned out to interested parties. She went over the contents of a booklet that was prepared about Lower Beverley Lake and gave each family a copy. She also took some time to answer some questions from the audience. She can be reached at [hevans@crca.ca](mailto:hevans@crca.ca).

Lynne thanked her for her informative presentation and the meeting was then adjourned.
