DELTA CITIZEN OF THE YEAR ANNOUNCED AT DELTA FAIR

Congratulations are extended to **FLORENCE PRATT**, Delta's 2017 Citizen of the Year!

Florence is a lifelong resident of Delta who has been a great asset to the community as she continually helps others without consideration of her own time, health or resources. She remains committed to the organizations within our village as she works tirelessly to support their cause.

Florence Pratt has been a dedicated member of the Delta United Church for several decades having served in many capacities including Secretary of the Official Board, Chair of the Church Council and most recently, Chair of the Worship Committee. Florence is also a life member of the United Church Women's Organization and the Senior Choir. For over 40 years, Florence has been an active member of Beverley Rebekah Lodge and now, Trinity Rebekah Lodge in Athens where she has held such offices as Secretary and Nobel Grand.

Florence is a member of the Beverley Senior Citizens' Club #460 where she serves as the Secretary and the Chair of the Good Cheer Committee for which she sends greeting cards to all members in recognition of the special occasions in the life of the membership.

Florence is always up for a challenge. Having completed periods of employment at the Delta Apron Factory, Confederated Foods, Burnbrae Farms, and the Leeds and Grenville County Board of Education as the Secretary for both Beverley Elementary School and South Crosby Public School, Florence returned to school at the age of 75 to obtain certification as a Personal Support Worker.

Florence is a good-hearted soul who not only cares for others but does so with her actions. She has received little recognition for her commitment to providing a home for many of the less fortunate within the community. She has also taxied many seniors to appointments and social functions without giving a thought to the personal sacrifice of time.

YOUTH AWARD OF EXCELLENCE PRESENTED AT DELTA FAIR

The Youth Volunteer Award of Excellence was created in 2002 to recognize the outstanding achievements of Delta's youth. The personal commitment of time and effort made by our youth are valuable contributions to the quality of life within the community. The leaders of tomorrow are among the youth volunteers of today!

Young volunteers eligible for nomination must be between the ages of 10 and 18 and have made a substantial and innovative contribution of time, leadership, initiative, originality and perseverance without remuneration to a charity, not for profit organization or an individual.

This award is sponsored by the Ladies Auxiliary of the Royal Canadian Legion Branch #207 and The Delta Agricultural Society.

2017 Recipient Jack Young and Patricia Phillips, Royal Canadian Legion Ladies Auxiliary

This year's recipient is an intelligent, hardworking, mature, reliable and loyal individual who is an invaluable asset to the many causes in which he supports. **JACK YOUNG** is a unique young man of great character whose integrity is remarkable for someone his age. He is prudent, wise, and honest and others frequently look to him for advice, support and guidance.

Jack is a natural born leader whose positive laid-back attitude allows his peers to feel very comfortable around him and makes him very approachable. He is a young man with strong morals, political beliefs and unending compassion for others. When not assisting family members or friends, Jack can be found volunteering with the Rideau Islands and Lakes Theatre School, the Delta Mill Society, the Delta Maple Syrup Festival, St. Paul's Anglican Church and now, the St. Paul's Community Committee.

Jack's optimistic mannerism encourages everyone's voice to be heard. He continues to be a very confident and outgoing individual who truly cares about the success of those he interacts with. As a student of Rideau District High School, Jack was a key player in the school's LINK CREW peer guidance initiative – a leadership group that supported and mentored Grade 9 students.

It can be said without a doubt that Jack will continue to elevate and inspire the people who he meets and works with. In recognition of Jack's accomplishments, abilities and aspirations for the future, the 2017 Youth Award of Excellence was proudly presented to Jack Young.

CITIZEN OF THE YEAR PROGRAM COMMEMORATES 20 YEARS

Our Village is full of people worth celebrating! They are our neighbours, people who care about others, adults who give more than they take for the betterment of the community. These caring leaders are found throughout the Delta area and they set an example for others to follow. Their contributions, as informal volunteers, make life brighter for us all.

In celebration of the 20th anniversary of the program, many of the former recipients joined together at the opening of the fair for a group photo.

CANADIAN COASTERS VISIT LOWER BEVERLEY LAKE PARK

80 members of the Canadian Coasters Association camped overnight in Delta during the evening of August 1st. The 2017 Canadian Coast to Coast tour is perhaps the most unique automotive tour in the world! With representation from every province, members have embarked upon a Canada wide tour which began with a wheel dip in Victoria, BC in June and will conclude in Newfoundland in September.

During their time in Delta, members toured the Old Stone Mill and the Tackaberry Truck Collection.

Additional information about the 50th Anniversary tour of the Canadian Coasters can be found online at www.canadiancoasters.ca.

SEASONAL CAMPERS DONATE TO DELTA FOOD BANK

During the weekend of July 15th, Lower Beverley Park's Seasonal Camper volunteers were once again very busy supporting the Delta community.

Thanks to Linda Spicer and the Food Bank Committee for organizing a hot dog barbeque at the pavilion which benefitted the local food bank with a \$300 donation; lunch was great!

NON-PROFIT HOUSING CORPORATION SEEKING DELTA REPRESENTATIVE

The Bastard & South Burgess Township Non-Profit Housing Corporation is seeking to fill one vacant position within their Board of Directors.

The candidate should be active in the local community, attend bi-monthly Board meetings on a Monday evening and be able to share the workload of 3-5 hours a month. Qualifications include a varying skill set that would complement the Board team (financial, construction, building), an expectation of confidentiality, and a willingness to make the best possible home for all residents. The Board Members are held in a position of trust and are the legal authority for decisions.

If a resident from the community of Delta wishes to contribute to the improvement of seniors' and family housing within the local communities, he/she should forward all contact and background information to millbay@bellnet.ca before September 15th, 2017.

HIGHLIGHTS FROM THE DELTA BEAUTIFICATION COMMITTEE

Chairperson Mary Beth Wylie

The summer is almost over and despite the heavy rains and the cloudy days, the plants have flourished so the village yards and gardens look wonderful. Thanks to the Delta residents for caring about your gardens and yards and for cutting the ditches in front of your place-it makes a difference. A vote of special thanks is extended to Doug Eyre of Delta and Clare Angerman from Lower Beverley Lake for their unceasing work keeping Delta clean.

The Beautification Committee has ensured that the barrels and village signs remained attractive throughout the summer. In addition, the flags at the signs and gazebos have added extra colour.

The brush has been trimmed back to the fence in Stone Mills Park and the stone garden looks wonderful! The gazebo, with the copper roof and flags, has also added to this attractive park.

In Stevens Park, the Mensen family donated and planted four apple trees. Additionally, the Township gave Delta a beautiful Maple tree to commemorate Canada's 150th Birthday. As previously mentioned, plans are in place to transplant additional trees into Stevens Park this fall. Once everything is in place, this park will make an excellent first impression of the village.

The Beautification Committee placed a bicycle rack at the gazebo in Russell Park and has added a new flower bed. A local company, Frick and Frack, was hired to do the bulk of the labour and despite many rainy days, the work was completed by July 1st. Thanks to a generous donation from Ron Schleede of Kamp Karmil, we were also able to fully mulch the bed. The plan is to have a self-sustaining bed with perennials being added this fall.

Hopefully the flowers will remain in bloom until the Harvest Festival at the end of September. After that time, plans will be started for the winter décor. Meanwhile the sun is still shining, the flowers are blooming and the grass needs to be cut again! Enjoy the fall everyone.

Email: cathy.livingston@sympatico.ca

Telephone: 613-928-2796

It's hard to believe that our summer, as wet as it has been, is almost over and we are now headed into the colourful months of Autumn.

Congratulations to Lower Beverley Lake Park as they celebrated 50 years of camping memories in June. As part of the celebrations, local political figures, past and present members of Council, Park Managers, staff and many, many friends of the park enjoyed an afternoon of fellowship, cake and iced tea and entertainment provided by the Brockville Lions Steel Drum Band. A copy of the afternoon's program with photos and a brief history of the park can be found on the park's website at <http://www.beverleylakepark.com/newsletter/2017-50th-Program.pdf>

Congratulations to the Delta Beautification Committee who placed third in the Township's Garden Contest and received prize of a red maple tree for planting in Stevens Park. (Photo: Village Beautification Members receive awards)

Congratulations to the Delta Agricultural Society as they sponsored the 187th Annual Delta Fair and to all exhibitors who won prizes during the 4 days. Special recognition is given to 2017 Citizen of the Year recipient Florence Pratt and to Jack Young who received the Youth Award of

Excellence. A combination of great weather, increased attendance and a dedicated group of volunteers produced another very successful fair.

With all the rain, it has been a very busy summer for Staff as they work to keep the roads in good shape especially following the July 24th rain storm event that caused flooding in the village and in other areas and roadways throughout the municipality.

The Economic Development Committee has been approved to now be a Committee of Council. At the request of residents who responded to the survey, an 'expression of interest' was published in the local papers and on social media in search of two residents to become members of the committee. A working plan will be discussed at the September meeting.

Delta's 3rd Annual Harvest Festival will be held on September 30th. This community festival offers events throughout the day at the Old Stone Mill, the Old Town Hall, the Fair Grounds and St. Paul's Anglican Church. Visitors can start off with breakfast at the OTH, enjoy lunch at the Fair Grounds followed by a Local Foods Dinner served by Wendy's Country Market and Chef Beacock at the Old Town Hall. Events include a car show, horse drawn wagons rides, craft and food vendors, demonstrations at the Old Stone Mill, and a Harvest Dance at the Fair Hall to end off a great day. Additional information is available by visiting www.deltamill.org or by emailing info@deltamill.com or deltafair@ripnet.com.
